ORTHOPAEDIC & PELVIC PHYSICAL THERAPY  
FUNCTIONAL INTEGRATIVE LIFESTYLE MEDICINE

Dr. Garner is a 25+ year veteran in orthopedics & pelvic health and a mother of three (pictured with her oldest son below) who knows what it takes to overcome pelvic pain. Dr. Garner uses specialized training in rehabilitative ultrasound imaging (RUSI) to guide prescription of physical therapy, which means you get prescriptive physical therapy & integrative healthcare, not cookie cutter recipes and guesswork. RUSI is used to scan the bladder, pelvic floor muscles, abdominals, diaphragm, low back muscles and related joints, which can accelerate recovery from back, hip, and/or pelvic & sexual dysfunction.

## PELVIC HEALTH FOR ALL

- We see men, women, and trans individuals for pelvic pain, bladder/bowel leakage, endometriosis, interstitial cystitis, prostatitis, & sexual dysfunction
- Pelvic health can drive spine, hip, knee, shoulder, jaw, neck Pain, headaches, &/or vocal dysfunction
- We comprehensively evaluate all lifestyle & orthopaedic factors to help identify the root cause of your pain.
- Dr. Garner is also a therapist's therapist - she is regularly engaged in research, teaching, is a sought after international speaker, and the author of 3 books. Additionally, as a mom of 3, Dr. Garner is an expert in Prenatal & Postpartum care.
